Last weekend, I was very busy. On Saturday morning, I did my homework. Then, I saw a film with my friends. The film was nice. In the afternoon, I played the piano. In the evening, I cleaned my room by myself. On Sunday morning, I went fishing with my best friend. In the afternoon, my mother and I went to the beach. The sea was beautiful. In the evening, I ate a big dinner. The food was delicious.

Max, Kate, and Charlie visited their grandparents last Sunday. They had a new little dog! “His name is Frank,” Grandma said. What a lovely dog! His eyes are round and small. Grandparents cooked good food for the kids. Kids were having lunch while Frank was eating dog food and drinking water. After lunch, kids played ball games with Frank. They were tired but happy. Where was Frank then? He was sleeping in his little house. Kids were going home. “See you next week, Grandma and Grandpa! We’ll miss you so much, Frank!”
