My brother

I am a twin, one of two.

But there's something about me I thought you knew:

Though I look like my brother from ear to knee,

He is him, while I ... am ME.

Twinkle, twinkle, little star

Twinkle, twinkle, little star,
How I wonder what you are!
Up above the world so high,
Like a diamond in the sky.
Twinkle, twinkle, little star,
How I wonder what you are!

Who am I?

My name is Isabelle.

Who am I?

I am a big sister.

I am a little sister.

I am a doctor ... and a granddaughter.

Sometimes I pretend I am a mummy.

I am big.

I am small.

I am a friend.

I am a lot of things to a lot of people.

Isabelle—that's me!

Lulu's rainbow colours

Green is Lulu's favourite colour when the grass comes up in spring.

In summer, blue's her favourite colour—sky and sea and bluebird wing.

In autumn, Lulu most likes orange—pumpkins, orange sunset and orange moon.

In winter, white becomes her favourite—snowy angels, snowmen, too.

So when Lulu paints her rainbow, she chooses ... green, white, orange and blue.

Baseball

Baseball is a fun game. It is played with a bat and a ball. There are two teams. There are four bases. One base is called home. One team is out in a field. The other team bats. A player from the field pitches a baseball to a player with a bat. If the player hits the ball, that player runs to the first base. If the player goes around all the bases to home, the player scores a run. The team that scores more runs wins the game.

A new friend

One day, there was a noise. Cow wanted to see what it was, but the barn was too tall. Pig walked past the yard.

Cow said, “Please stand on my back.” It was still too tall. Pig could not see.

Dog came past. “Dog, can you stand on my back?” asked Pig. The barn was still too tall.

Dog called, “Bird, please come and join us. Could you fly up and see what is on top of the barn?”

Bird was surprised. “There is a kitten stuck up there! ”

Then Kitten jumped onto Dog’s back and joined the animals in the yard.
